CITY, STATE ZIP

Dear Name 1,

Until very recently, ECI Communications, Inc ("ECI") had been providing your **local telephone service** (dial tone) over the resold facilities of AT&T California ("AT&T"). As you may be aware, ECI is no longer able to provide your **local telephone service**.

To prevent your service from being disconnected without notification to you, AT&T began providing local telephone service to you on April 5, 2007. You can continue receiving this service through May 7, 2007.

Important: To continue to receive service after May 7, 2007, you must arrange for service with one of the **local telephone service** providers in your area. Before that date, you must contact the provider you prefer to arrange for service. Contact numbers for the local telephone providers in your area are available in your local telephone directory. You must make arrangements with a provider before May 7, 2007 to avoid interruption of your service.

Should you wish to continue receiving AT&T service May 7, 2007, please call our business office. The telephone number for the AT&T business office in your area is available in your AT&T White Pages directory.

Remember, you must act before May 7, 2007 to prevent a disruption in your **local telephone service**.

If you have changed your **local telephone service** provider since April 5, 2007, please disregard this letter. **If you have any questions regarding this letter please call 1-800-667-1086 .**
